My Typing Speed Log

Set a goal, then write down every practice to see how far you have come.

Name: _____ Date: _____

My goal: _____ WPM with _____ % accuracy by _____

MY PRACTICE

Date	What I typed (test or lesson)	WPM	Accuracy	Goal?

Take the same test each time so your numbers compare fairly (the free 1-minute test: typeplay.org/typing-test). Accuracy first: aim for 95% or more, and speed follows.
